

## Enrichment 3-4

## Homework 25

### Problem 1

Connect the pictures with the senses that help to experience the objects on the pictures the most. Hint: there are three pictures for each sense.

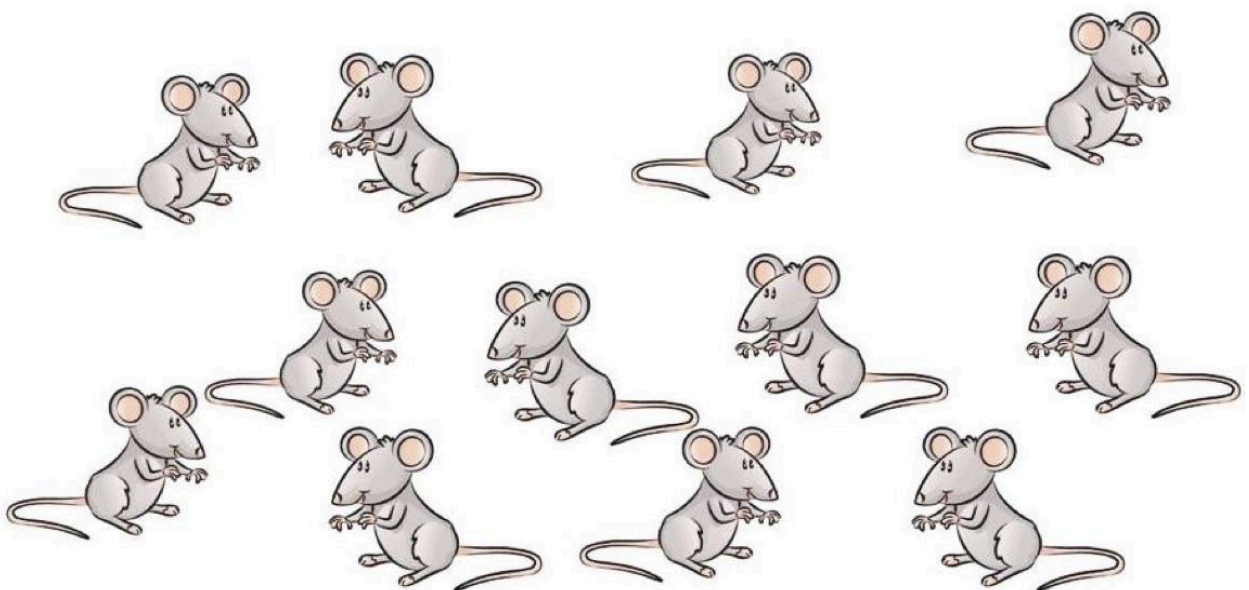

## Problem 2

Trace as many shapes as the number on the house says. Name the shapes.

## Problem 3

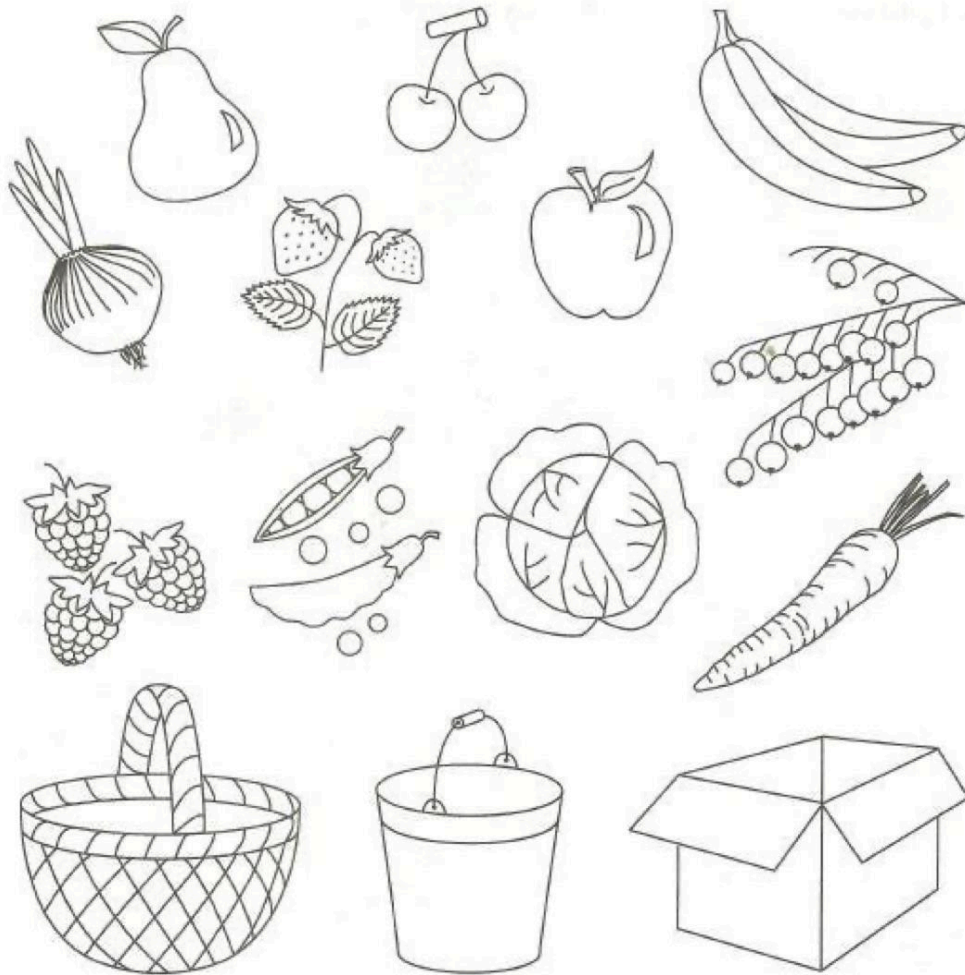

Circle the mice that plan to run to the left, cross out the mice that plan to run to the right.

### Problem 4

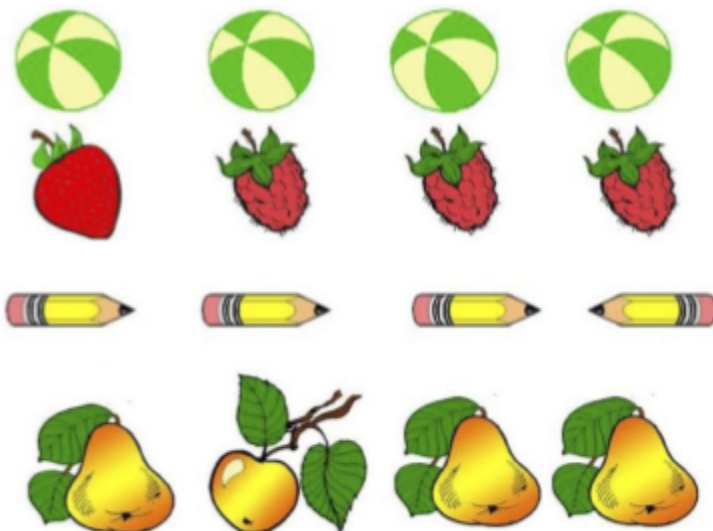

Connect by a line.

Put all the berries into the basket, all the fruits in the pail and all the vegetables in the box.

### Problem 5

Cross out the object that doesn't belong in the row.

### Problem 6

Help the missing letters to board on their train - connect the letters with their cars so that the cars would go in the ABC order.

C G O Q S

Z N M K H

E F I L T

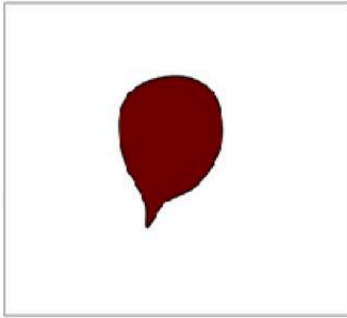

J B D P R U

A V Y X W

### Problem 7

“The story of an Apple Tree”.

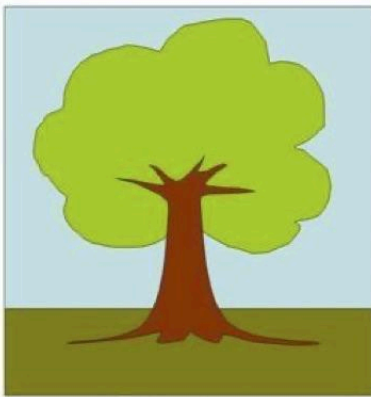

Connect the pictures with their numbers in the life story of an apple tree.
